Dear Parent or Guardian:

We are asking you to complete the 2022-2023 Parent Survey from October 30, 2022, to December 16, 2022. This survey will provide the Clark County School District (CCSD) with valuable feedback that informs the District and schools about your opinions on important school-related topics. Your input is very important to us. Please complete one Parent Survey for each child attending a CCSD school. For example, in a two-parent family with three children enrolled in CCSD schools, each parent can take the survey three times (up to a total of six surveys completed).

The Parent Survey will be available online via the Internet.

Instructions for completing the 2022-2023 Parent Survey Online

1. Open any Internet browser (Chrome, Safari, Firefox, etc.).
2. Type <http://www.ccsd.net/survey> in the address bar.
3. Follow the directions provided to complete the Parent Survey. **Note:** You will need the student ID (lunch) number and your child's birthdate or the name of the school to access the Parent Survey for each child attending CCSD schools in your home.

Your time and assistance in providing this information are greatly appreciated. If you have any questions or concerns, please do not hesitate to call the Research Department at (702) 799-1041, option 4.

Thank you in advance for your participation.

Sincerely,

Kate Eugenis
Coordinator, Accountability and Research Department
